DGE&T, Ministry of Labour and Employment has undertaken a project titled "Kaushal Vikas Yojana" to set up 1500 Industrial Training Institutes (ITIs) and 5000 Skill Development Centres (SDCs) in Public Private Partnership (PPP) mode in the country at locations identified by the State Governments. ITIs are proposed to be set up in unserviced blocks (blocks where no ITIs/ITCs exist) and SDC in a cluster of about ten villages.

(b) State Governments have been requested to identify locations where free of cost land and basic infrastructure such as power, water, road, etc. are available.

(c) Establishment of such institutes involves three partners (i) Private Training Provider playing the leading role (ii) State Government providing land free of cost and basic infrastructural support and (iii) Central Government providing Viability Gap Funding (VGF), if needed. Depending on the locations, various options are proposed to be explored. Funding pattern may vary from place to place.
